SANDEEP SONOWAL

GENERAL MANAGER - CARGO | FORMER CHANNEL SALES MANAGER

PROFILE

Sales and business development professional with experience in commercial vehicle sales, channel management, dealership operations, and alternative-fuel vehicle market development across Northeast India. Currently leading cargo sales across approximately 20 branches and sub-branches, managing around 40 personnel. Previously managed four Eicher dealerships and approximately 20 Dealer Sales Executives (DSEs). MBA in Marketing from IIM Sirmaur, with strengths in sales strategy, dealer development, key account management, customer financing, and team leadership.

PROFFESIONAL EXPERIENCE

- **Innovative Bajaj Autocorps, Guwahati**

General Manager - Cargo Segment OCT'24-PRESENT

- Lead cargo sales operations across approximately 20 branches and sub-branches, managing around 40 personnel across diesel, CNG, electric cargo vehicles, and E-Kart.
- Increased EV cargo market share from approximately 20% to 48% across the dealership territory.
- Grew monthly sales from 22 units in the first month as GM to approximately 32 the following month; subsequently averaged around 30 units monthly, with a peak of approximately 45 units in FY 2025–26 and 40 units in September 2026.
- Manage a dealership-level monthly funnel of approximately 700 enquiries and nearly 100 test rides, supporting sales planning, DSE training and incentives, inventory coordination, and lead follow-up.
- Develop institutional opportunities with IOCL, HPCL, and cylinder distributors; coordinate customer financing with IDFC, BACL, Shriram Finance, and other lending partners.

Showroom Manager MAR'24-PRESENT

- Managed showroom sales, customer engagement, product demonstrations, lead follow-up, and sales execution; promoted to General Manager in November 2024.

- **VE Commercial Vehicles Ltd (Eicher Trucks)**

Channel Sales Manager | Northeast India APR'22-NOV'23

- Managed channel sales across four dealerships, coordinating approximately 20 Dealer Sales Executives and supporting dealer performance and territory development.
- Increased territory market share from approximately 3% to 5% and contributed to monthly vehicle business worth approximately ₹3.5 crore, based on around 10 vehicles sold monthly at an average value of ₹35 lakh.
- Grew multi-axle truck sales from approximately one vehicle annually to an average of five per month; supported the introduction of two premium Eicher "Horse" units.
- Strengthened dealer capabilities through sales coaching, product training, fleet-owner engagement, vehicle demonstrations, competitor analysis, and bank/NBFC relationship development.
